I will see you in a week or two.  
It's late, you better get going.  
Take care of yourself and call any time you feel  
that you're missing me.  
I can only say what I always say at these goodbyes.  
Come back with the same look in your eyes.

I know you've got your work to do,  
and I know how much you love me,  
but sometimes a friendly face can look good to you  
on a lonely night.  
If there comes a time just remember I'm the kind that  
cries.  
Come back with the same look in your eyes.

Everything we want we find in each other.  
We would be fools to let love slip away.  
Everything's so right. I'm scared that we might  
lose it one day.

We could never keep things from one another.  
You know all the feelings that are in my heart.  
It's not easy, it's not easy,  
when we have to be apart.

So I'll see you in a week or two.  
Go on, you better get going.  
You'd think by now we'd know how to handle this  
but we never will.  
When you are away, every day I pray that nothing dies,  
and you'll come back with the same look in your eyes.

It's not easy, it's not easy,  
when we have to be apart.

So I'll see you in a week or two.  
It's late, you better get going.  
You'd think by now we'd know how to handle this  
but we never will.  
When you are away, every day I pray that nothing dies,  
and you'll come back with the same look.  
Please come back, with the same look.

Won't you come back with the same look in your eyes.
