Deliver me, out of my sadness
Deliver me, from all of the madness
Deliver me, courage to guide me
Deliver me, strength from inside me

All of my life I've been in hiding
Wishing there was someone just like you
Now that you're here, now that I've found you
I know that you're the one to pull me through

Deliver me, loving and caring
Deliver me, giving and sharing
Deliver me, the cross that I'm bearing

All of my life I was in hiding

Wishing there was someone just like you
Now that you're here, now that I've found you
I know that you're the one to pull me through

Deliver me
Deliver me
Oh deliver me

All of my life I was in hiding
Wishing there was someone just like you
Now that you're here, now that I've found you
I know that you're the one to pull me through

Deliver me
Oh deliver me
Won't you deliver me
