Did you ever think of me
As your best friend
Did I ever think of you
I'm not complaining

I never tried to feel
I never tried to feel this vibration
I never tried to reach
I never tried to reach your eden

Your eden
Your eden

Did I ever think of you

As my enemy
Did you ever think of me
I'm complaining

I never tried to feel
I never tried to feel this vibration
I never tried to reach
I never tried to reach your eden

Your eden
Your eden

I never tried to feel
Your eden
I never tried to
Your eden
