Aranjuez,
Un lugar de ensueños y de amor
Donde un rumor de fuentes de cristal
En el jardín parece hablar
En voz baja a las rosas

Aranjuez,
Hoy las hojas secas sin color
Que barre el viento
Son recuerdos del romance que una vez
Juntos empezamos tu y yo
Y sin razón olvidamos

Quizá ese amor escondido está
En un atardecer
En la brisa o en la flor
Esperando tu regreso

Aranjuez,
Hoy las hojas secas sin color
Que barre el viento
Son recuerdos del romance que una vez
Juntos empezamos tu y yo
Y sin razón olvidamos

En Aranjuez, amor
Tu y yo

[English translation:]

Aranjuez, a place of dreams and love
Where a rumour of crystal fountains in the garden
seems to whisper to the roses

Aranjuez, today the dry leaves without colour
which are swept by the wind
Are just reminders of the romance we once started
And that we've forsaken without reason

Maybe this love is hidden in one sunset
In the breeze or in a flower
Waiting for your return

Aranjuez, today the dry leaves without colour
which are swept by the wind
Are just reminders of the romance we once started
And that we've forsaken without reason

In Aranjuez, my love
You and I
