Is it you I keep thinking of?
Should I feel like I do?
I've come to know that I miss your love
While I'm not missing you
We run
Til it's gone
Et les fleurs du mal
Won't let you be
You hold the key to an open door
Will I ever be free?

[Chorus:]

Les fleurs du mal unfold
Comme les fleurs du mal
Dark demons of my soul
Un amour fatal
Been tryin' hard to fight
Comme les fleurs du mal
Les fleurs du mal inside

Un amour fatal

All my life I've been waiting for
In this perfume of pain
To forget when I needed more
Of love's endless refrain
We live
And we pray
Pour les fleurs du mal
I've lost my way
What is done will return again
Will I ever be free?

[Repeat chorus]

Les fleurs du mal
Comme les fleurs du mal
Un amour fatal
Comme les fleurs du mal

[Repeat chorus]
