And do you still touch her like you do
Kissed all over in the way I kissed with you
Or when you sleep with her do you sometimes think of
me

Not if you love her the way that I see
I Had to be free
Had to be free
It's all that I wanted

I wanted to see
Wanted to be
Alone if I needed

I Had to be free
Had to be free
From feelings that haunted

I wanted to see
Wanted to be
Free

And then in the evening light when the birds are free to
fall
I watch the two of you in the shadows on the wall
How in the darkness stills some of the choices from my
hand
Will I began to understand

I Had to be free
Had to be free
It's all that I wanted

I Wanted to see
Wanted to be
Alone if I needed

I Had to be free
Had to be free
From feelings that haunted

I wanted to see
Wanted to be

Free

I Had to be free
Had to be free
It's all that I wanted

I Wanted to see
Wanted to be
Alone if I needed

I Had to be free
Had to be free
From feelings that haunted

I wanted to see
Wanted to be
Free
