When he passes me by
He's a ray of light
Like the first drop of sun
From the sky
And I know he's a king
Who deserves a queen
But I am not a queen
And he doesn't see me

When he dances
He moves me to a smile
And I see everything
Near him shine
There's a grace in his ways
That I can't contain
I haven't that grace
Oh, haven't that grace

And the closer he gets
I can't help but hide
So ashamed of my body
And voice
There are boundaries
We pass in spite of the war
But our own
We can't seem to cross

She has a way that surrounds her
So delicate

With a glory that reigns in her life
She is also so much that she is not
These things I can see
Cause he doesn't see me
Oh-oh-oh ...
And he doesn't see me

There are things we can change
If we just choose to fight
But the walls of injustice are high

When he passes me by

He's a ray of light
Like the first drop of sun
From the sky
And I knows he's a king
Who deserves a queen
Someone other than me
So different from me

Oh-oh-oh ...
He doesn't see me
Oh-oh-oh ...
He doesn't see me
He doesn't see me
