Sarah brightman

Fell from the grace of heaven's prow

Chris thompson

Listening as the abyss calls our name

Sarah brightman

Descending stars from golden clouds

Chris thompson

Falling to the rage of angels

Sarah brightman

Bringer of light from on high

Bound to the earth and unable to fly...

Chris thompson

I don't know?

I don't know?

I don't know?

How can heaven love me

Sarah brightman

You don't know?

You don't know?

You don't know?

How can heaven love you

We loved in a time before the fall

Chris thompson

Welcome to the arms of solitude

Sarah brightman

Beneath us the heat that hearts exude

Chris thompson

Is this really heaven?

Sarah brightman

We'd fight with the gods for our dreams

Where paradise falls eternity screams

Chris thompson
I don't know?
I don't know?
I don't know?
How can heaven love me

Sarah brightman
You don't know?
You don't know?
You don't know?
How can heaven love you

Chris thompson
Die welt ein tor
Zu tausend wÄ"Ä¹sten stumm und kalt
Wer das verlor, was du verlorst
Macht nirgends halt
The world is a gate
To thousand deserts mutely and coldly
He is lost, which you lost
Stopped by nothing
In my arm I shall hold

Sarah brightman
Crystallized as starlight
Lost in paradise

Chris thompson
I don't know?
I don't know?
I don't know?
How can heaven love me
I don't know...

How can heaven love me?
