I'm very you, you're very me.  
We seem to go well together.  
You're very me, I'm very you.  
A perfect match I would say.  
We mean the world to each other.  
There are no lengths that we wouldn't go to,  
Goes to show you...  
I'm very you, you're very me.  
We make a great combination.  
You're very me, I'm very you.  
No one could be  
more in tune with me.  
Like sea and sand, like sun and sky.  
There'll always be you and I.

I'm very you, you're very me.  
We are compatible people.  
You're very me, I'm very you.  
I guess we're two of a kind.  
I stay away when you're moody.  
If I don't want to talk you make no fuss.  
We both know us!  
I'm very you, you're very me.  
We're 'bout as close as you can be.

You're very me, I'm very you.  
Sometimes we get  
Angry and upset,  
But each fight ends the way it should.  
We both make up very good.

I'm very you, you're very me.  
If I was Jane you'd be Tarzan.  
You're very me, I'm very you.  
If I am Bonnie, you're Clyde.  
If you're New York than I'm Broadway.  
If I'm a violin you're Yehudi.  
Punch and Judy!  
I'm very you, you're very me.  
We just can't be separated.  
You're very me, I'm very you.  
No one has got

What we two have got.  
Like P and Q, like two and three.  
You'll always be next to me.
