Stuck inside this room  
Digging in my heels  
The paint is stuck on the walls  
But it's starting to peel

But maybe it's your vanity  
Maybe it's your skin  
Well, I'm thinking, I'm thinking, baby  
Your cover's wearing thin

'Cause everybody wants a piece of you  
You don't give much but when you do  
You're nobody's friend, you're nobody's fool  
Tell me, it must be tough to be that cool

Another notch on your belt  
Another new pair of shoes  
Another sidewalk show  
Where did you get that suit?

Did you think I was waiting  
Or were you just testing me  
You're gonna come up empty, come out angry  
Come out alone, just you can't see it

'Cause everybody wants a piece of you  
You don't give much but when you do  
You're nobody's friend, you're nobody's fool  
Tell me, it must be tough to be that cool

Well I should be more forgiving  
There's a soul down there  
I can hear it crying  
But I can't find it anywhere

Everybody wants a piece of you  
You don't give much but when you do  
You're nobody's friend, you're nobody's fool  
Tell me, it must be tough

Everybody wants a piece of you  
You don't give much but when you do

You're nobody's friend, you're nobody's fool  
It must be tough to be that cool

Everybody wants a piece of you  
You don't give much but when you do  
You're nobody's friend, you're nobody's fool  
Tell me, it must be tough to be that cool

It must be tough to be that cool  
It must be tough to be that cool  
It must be
