Un bel giorno ...  
Un bel giorno per morire

Un bel di, vedremo  
Levarsi un fil di fumo  
Sull'estremo con fin del mare  
E poi la nave appare

With every new day  
Your promises fade away  
It's a fine day to see  
Though the last day for me  
It's a beautiful day

Un bel di, vedremo  
Levarsi un fil di fumo  
Sull'estremo con fin del mare  
E poi la nave appare

With every new day  
Your promises fade away  
It's a fine day to see  
Though the last day for me

It's a beautiful day  
It's the last day for me  
It's a beautiful day  
It's the last day for me  
It's a beautiful day
