(feat. JosÃ© Cura)

[Sarah:]

Tu cosa fai stasera?
Rimani ancora un pÃ²
sarÃ² quest' atmosfera
ma non mi dire di no

Per farti prigioniero
qualcosa inventerÃ²
ma che bisogno c'era
di amarti subito un pÃ²

[JosÃ©:]

Questo giorno Ã¨ una pazzia
ma la luna Ã¨ amica mia
se ti resta un sogno da buttare via
soli in mezzo a una cittÃ²
Solo amici e poi chissÃ²

Poi non basta mai
tante cose da dirsi
e baciarsi e capirsi e stringersi
poi non basta mai
si fa tardi ma dai
dove corri a quest'ora?

[Both:]

Just show me how to love you
Io non ti lascio piÃ¹
gabbiano di scogliera
io sto una favola e tu?
Just show me how to love you

[Sarah:]

Fame o febbre o quel che sia
mi ci sento a casa mia
dentro questo sogno da buttare via
non mi sembra vero ma
sembra un'altra la cittÃ²

[JosÃ©:]

E non basta mai
tante cose da dirsi
e baciarsi e capirsi e stringersi
e non basta mai
Ã" giÃ tardi ma dai
dove torni a quest'ora?

[Both:]

Just show me how to love you
E ci ridiamo su
gabbiano di scogliera
ma dov'Ãari nascosto'
dov'Ãari finora?

[Sarah:]

Tu cosa fai stasera?
Ci ridiamo su
magari un'altra sera
ed Ã" giÃ domattina
e la luna la spegni tu!

[English translation:]

[Sarah Brightman]

What are you doing tonight?

Stay a little longer
It may be this place
But don't say no

I will invent something
To hold you prisoner
But what was the need
To love you just a bit

[JosÃ© Cura]

This day is crazy
But the moon is my friend
If you still have a dream
Alone in the middle of a city
Only friends and then who knows

Then it's never enough
So many things to tell each other
And kissing and understanding and hugging
Then it's never enough
And we get late, but come on
Where are you running to this time?

[Both]

Just show me how to love you

I will never leave you
Like a seagull on the rocks
I stay a fairytale, and you?
What are you doing tonight?

[Sarah Brightman]

Hunger or fever or whatever
I feel at home
Inside this dream to throw away
It doesn't seem true but
It seems another city

[JosÃ© Cura]

And it's never enough
So many things to tell each other
And kissing and understanding and hugging
And it's never enough
It's already late, but come on
Where are you going back to this time?

[Both]

Just show me how to love you
And we shall laugh about it
Seagull on the rocks
Where were you hiding?
Where were you until now?

[Sarah Brightman]

What are you doing tonight?
We'll laugh about it
May be another night
And it's already tomorrow morning
And you must turn off the moon!
