It's tempting
Haunting
Love is the law
It's temple
It's empty
From grace we fall
It feels like
On the outside
Looking in
We always wonder
How it could have been

[Chorus:]

Let it rain
Let it rain
Why we can't we find love again
Let it rain
Let it rain
Still I drown in tears of pain
Over again
Let it rain

Chances
Hunger
Insatiable

Life is changing
Unpredictable
Hear me calling
Where are you now?
Will we meet
Anyway
Anyhow

[Repeat chorus 2x]

[Bridge:]

Where do we end?
Where do we begin?
Are we lost
Or must we lose to win?
We depend

On where we stand
Are we free
To choose the lives we live?

[Repeat bridge]

[Repeat chorus 2x]
