Funny, always thought of you as my girlfriend.
I just can't believe you could come in here
and say all those things.
Let me finish, you must let me finish.
Thank you.
Thanks for bringing me up to date dear.
Didn't know you knew all the in's and out's
of my private life.
Let me finish, you must let me finish.

Funny...always thought of you as my girlfriend.
I just can't believe you can come in here
and say all those things.
Let me finish...you must let me finish.
Thank you...thanks for bringing me up to date dear.
Didn't know you knew all the ins and out of my
private life.
Let me finish...you must let me finish.

Let's talk about you
A minute or two.
What tart is your husband keeping.
Where's he sleeping?
Can't you say?

Let's talk about men.
You're at it again!
I hear that you need a bedful
for those dreadful
games you play.

How dare you come in here
wagging your wicked tongue?
Your cheeks are red my dear.
You look like you've been stung.
I know my life's a mess...

but I think you're the worst thing in it.
Wait a minute...

Let's talk about you
because you never do.

You couldn't wait to blurt out
all that dirt out in my face.

Let's talk about pills
and illegal thrills.
I hear that the habit's gripped you
and you've tripped to every place.

Does it make you feel good
Knowing that I feel bad?
Yes, knowing you it would.
You must be very sad.
You can't know how I feel.
But my friend you're about to learn how
it's my turn now...

Let's talk about booze
and how much you use.
What time do your kids start drinking?
Am I sinking low as you?

Yes he knows lots of girls...he likes his fun.
I am glad he got lot's and not just one.
How's that fat little man...was it one more affair?

Where are you going...Why are you running away from
me?
Are you absolutely sure you don't want to stay for tea!
