From aspects of love love, love changes everything,  
Hands and faces, earth and sky  
Love, love changes everything,  
How you live and how you die  
Love, can make the summer fly,  
Or a night seem like a lifetime  
Yes love, love changes everything,  
Now I tremble at your name  
Nothing in the world will ever be the same

Love, love changes everything,  
Says are longer, words mean more  
Love, love changes everything,  
Pain is deeper, than before  
Love, will turn your world around,  
And that world will last forever  
Yes, love, love changes everything,  
Brings you glory, brings you shame  
Nothing in the world will ever be the same

Off into the world we go,  
Planning futures, shaping years  
Love bursts in and suddenly,  
All our wisdom disappears  
Love, makes fools of everyone,  
All the rules we make are broken  
Yes, love, love changes everything,  
Live or perish, in it's flame  
Love will never ever let you be the same  
Love will never ever let you be the same
