We saw Fantasia in a far off land
Cry for the living in the desert sand
They waited underneath a splintered moon
To hear the beating of an ancient tune

Sleep tight
The reaper's waiting in the wings
Sleep tight
To reap a man of many things

Sleep tight
Look through the eyes of destiny
Sleep tight
We find the kingdom
But He holds the key

I met a seer who believes and dreams
Our blood is running through eternal streams
Dust you'll return and dust you shall remain
'Cause that's the only heart that beats and beats again

Sleep tight
The reaper's waiting in the wings
Sleep tight
To reap a man of many things

Sleep tight
Look through the eyes of destiny
Sleep tight
We find the kingdom
But He holds the key

Sleep tight
The reaper's waiting in the wings
Sleep tight
To reap a man of many things

Sleep tight
Look through the eyes of destiny
Sleep tight
We find the kingdom
But He holds the key

Sleep tight
The reaper's waiting in the wings
Sleep tight
To reap a man of many things

Sleep tight
Look through the eyes of destiny
Sleep tight
We find the kingdom
But He holds the key

Sleep tight
