Cuando anochezca
Te esperare
Quiero volverte loco esta noche
Con la luna llena
Te esperare
Hoy moriras entre mis brazos
Nunca sonaras de mi aun igual

Let me dive in
To pools of sin
Wet black leather on my skin
Show me the floor
Lay down the law
I need to taste you more

Refrain: Then I feel your sea
Raining down on me
Can this be my once in a lifetime
Hell's at heaven's door
As I need you more
You know you're my once in a lifetime

Todo tu cuerpo temblara
Pero esta ves, es realidad
Aunque el tiempo pase
Nunca
Nunca me olvidaras
Sera Solo una ves en tu vida

When you take me
And make me cry
Then I feel you satisfy
Show me the cage
It's all the rage
And lock it up

Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime

Once in a lifetime
Once in a lifetime
Once in a lifetime

Giving you my soul
Letting you control
Took away a part of my lifetime
Memories of you
Left me black and blue
Now I know you're once in a lifetime

Refrain

Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime

Refrain

Found a part of me
That's a mystery
That will be just once in a lifetime
