Dont write a letter when you want to leave
Dont call me at 3 a.m. from a friends apartment
Id like to choose how I hear the news
Take me to a park thats covered with trees
Tell me on a sunday please

Let me down easy
No big song and dance
No long faces, no long looks
No deep conversation
I know the way we should spend that day
Take me to a zoo thats got chimpanzees
Tell me on a sunday please

Dont want to know whos to blame
It wont help knowing
Dont want to fight day and night
Bad enough youre going

Dont leave in silence with no word at all
Dont get drunk and slam the door
Thats no way to end this
I know how I want you to say goodbye
Find a circus ring with a flying trapeze
Tell me on a sunday please

Dont want to fight day and night
Bad enough youre going
Dont leave in silence with no word at all
Dont get drunk and slam the door
Thats no way to end this
I know how I want you to say goodbye

Dont run off in the pouring rain
Dont call me as they call your plane
Take the hurt out of all the pain
Take me to a park thats covered with trees
Tell me on a sunday please
