I'm a lady when you kiss me  
I'm a child when you are leaving  
I'm a woman ev'ry time our bodies meet  
Complete

Long lost feelings stir inside me  
Used to think nights were for sleeping  
Being wanted is a thrill I never knew  
Till you

Now I'm alive, inside I'm glowing  
I'm how I want to be  
Loving you I can be me  
Just me

It's the first time when you touch me  
Now I long for rainy mornings  
I am certain you're the last man in my life

I'm a woman ev'ry time our bodies meet  
Complete

Long lost feelings stir inside me  
Used to think nights were for sleeping  
Being wanted is a thrill I never knew  
Till you

Now I'm alive, inside I'm glowing  
I'm how I want to be  
Loving you I can be me  
Just me

It's the first time when you touch me  
Now I long for rainy mornings  
Tell each other to find all we're looking for  
And more

Found the rainbow I was after  
No more dreams with one face missing  
I am certain you're the last man in my life
