Ahora
tãº me pierdes la razã³n
no digas nada
siempre siempre serãin los dos
sabemos
aquella noche
y por la calle
lo mismo serãi.

Tãº quieres volver y no te veo mãis
tãº quieres volver y no me siento na.
Tãº quieres volver y no te veo mãis
tãº quieres volver y no me siento na.

Tãº quieres volver y no te veo mãis
tãº quieres volver y no me encuentro mãis.
Tãº quieres volver y no te veo mãis
tãº quieres volver y no me encuentro mãis.

Yo pienso aquel dãa
lo mismo que ayer,
lo mismo serãi.

Yo pienso aquel dãa
lo mismo que ayer,
lo mismo pensa.

Tãº quieres volver y no te veo mãis
tãº quieres volver y no me encuentro mãis.
Tãº quieres volver y no te veo mãis
tãº quieres volver y no me encuentro mãis.

Tãº quieres volver y no te veo mãis
tãº quieres volver y no me encuentro mãis.
Tãº quieres volver y no te veo mãis
tãº quieres volver y no me encuentro mãis.

[English translation:]

Now
You make me lose reason
don't say anything
always, always it will be the two of us

we know that night and in the street
the same thing will be

You want to return and I don't see you anymore
you want to return and I don't feel anything.
You want to return and I don't see you anymore
you want to return and I don't feel anything.

You want to return and I don't see you anymore
you want to return and I can't find myself anymore.
You want to return and I don't see you anymore
you want to return and I can't find myself anymore.

I think that day, the same thing as yesterday, the same
thing will be.
I think that day, the same thing as yesterday, the same
thinking.

You want to return and I don't see you anymore
you want to return and I can't find myself anymore.
You want to return and I don't see you anymore
you want to return and I can't find myself anymore.
