I see trees of green, red roses too
I see them bloom for me and you
And I think to myself, what a wonderful world
And I think to myself, what a wonderful world

I see skies of blue, clouds of white
Bright blessed day, the dark sacred night
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shakin' hands, sayin' "How do you do?"
They're really saying "I love you"

I hear babies cryin', I watch them grow
They'll learn much more than I'll ever know
And I think to myself, what a wonderful world
And I think to myself, what a wonderful world

Wonderful world, wonderful world
Wonderful world, wonderful world
