You made me think you were in love.
You made me think that I was all you'd need.
You made me think you were in love.
If they gave Oscars for deceit you would win.
Plastic man, hear me if you can.

You made me think you were in love.
You could of used your charm on someone else.
You made me think you were the one.
It's hard to see the frog when dazzled by lights.
Hollow man, break down if you can.

Exit, way out.
Exit, fade out.
It's a wrap, no more takes,
we're through!

Exit, print it.
Exit, goodbye.
Find someone else at a cinema
near you!
I've seen this movie and I hated it before,

Fade out. Exit. Cut!

You made me think you were in love.
We're both too old to play these kind of games.
If you tried coping with the real world,
you'd realize that after conning someone,
you can't just say that does it for today.

Exit, way out.
Exit, fade out.
It's a wrap, no more takes,
we're through!

Exit, print it.
Exit, goodbye.
Find someone else at a cinema
near you!
Fade out. Exit. Cut!
