### Verse 1

I'm fine till the truth walks in  
New jeans and a big ole grin  
And I feel that rush again  
Like he was holding me  
And I was his everything  
Big plans and a little ring  
I tell myself not to think  
How good it used to be

### Chorus:

That mistake I wish I never made  
Is the day I let him walk away  
So convinced I could love that way again  
I tell myself I'm better off  
That I was right and he was wrong  
But they're just paper airplanes  
In the wind  
That I believe till the truth walks in.

### Verse 2

I'm fine till I see his eyes  
Those deep blue perfect eyes  
I turn my head and try to hide  
That I'm breaking down  
Then I get that searching look  
That how you doing look  
That see right through me look  
Like only he knows how

### Chorus:

The mistake I wish I never made  
Is the day I let him walk away  
So convinced I could love that way again  
I tell myself I'm better off  
I was right and he was wrong  
But they're just paper airplanes  
In the wind  
That I believe till the truth walks in.  
Till the truth walks in... I'm fine till the truth walks in
