Say those words again
Whisper in my ear
Softly pull me in
Cause all I wanna hear

How you want me so
More than anything
This perfect night
Heavens shining down

Chorus:
Forever wrapped in moonlight
Your Arms around me so tight
Till everything just fades away
Shining on each other
Like Diamonds on the water
I always want to feel this way
Every night of our lives
Wrapped in moonlight

Verse 2
Then you lay me down
Softly In the sand
And you move me like the ocean rolling in
Like a paperback romantic fantasy
About two people
Lost in love

Chorus:
Forever wrapped in moonlight
Your Arms around me so tight
Till everything just fades away
Shining on each other
Like Diamonds on the water
I always want to feel this way
Every night of our lives
Wrapped in moonlight
