It's been a long day, I couldn't wait to get home
My feet ache and I should shut off my phone
And as I look around this lonely place
I'm caught day dreamin' about another time and space

Please come, Take me away, I've been runnin' for so
long now,
That I lost my way
So please come, just for a day
'Cause if you take my hand, I know that I'll be ok

The nights are cold when I'm alone yes,
The streets so empty, The lights are burning low,
Tell me, Should I be waiting, I'm doing fine on my own,
Still I keep a candle burning, so you could find your way
home

Please come, Take me away, I've been runnin' for so
long now,
That I lost my way
So please come, just for a day
'Cause if you take my hand, I know that I'll be ok

Just for a day... Come and take me away...

Ooooh ye yeees oh

Please come, take me away, I've been runnin' for so
long now,
That I lost my way
So please come, just for a day
'Cause if you take my hand, I know that I'll be ok
Ooh if you take my hands I know that I'll be, I'll be ok
