here's your chance
i give you what you want
i am a giver

here's your chance
to tell me what you want
i'm a forgiver

when nobody's around
i try not to care
i must deliver

when nobody's home
I will not get the door
I'm a pretender

here's your chance
i give you want
i am a giver

here's your chance
to tell me what you want
i'm a forgiver

when nobody's around
i try not to care
i must deliver

when nobody's home
I will not get the door
I'm a pretender

so here we stand
like flowers in the cold
wilt and wither

here's your chance

tell me what you want
i'm a forgiver
