I ain't in love with the world
I'm just in love with its glow
I ain't nobody's girl
Ain't nobody pull me under

Til the belt stretches thin
And what's under it thickens
Til my body's a temple
And my kisses are wicked

I ain't in love with the world
I'm just in love with its glow
Oh, oh
Oh, oh
Oh, oh

I ain't nobody's girl
I ain't nobody's man
I ain't nobody's girl
I ain't nobody's man

I know it ain't easy
But I'm tryin'
Oh, oh
Oh, oh
Oh, oh
Oh, oh
