this bond's been misunderstood
yeah, the dreams we build
are paper kingdoms
friend if only we could
reach beyond ourselves
for some understanding

Let's go for a drive baby, fly maybe
tear this canvas blue sky
let's rip through the seams of our
insecurities
on to deeper things
come on babe try

Moments of disbelief
fill the atmosphere with thoughts that
hold us under
looking for some retreat
from the fear that keeps us in
silence

Let's go for a drive baby, fly maybe
tear this canvas blue sky
let's rip through the seams of our
insecurities
on to deeper things
come on babe try

Ohh!!
I will not embrace indifference
not will stop
when we're almost there
and i will run with all my might
run until we fall
run until we crash
run until we fly
run until we die

(guitar solo)

Let's go for a drive baby, fly maybe

tear this canvas blue sky
let's rip through the seams of our
insecurities
on to deeper things
come on babe try
come on babe try
come on babe try
