I see where You pulled me  
now i'm reaching  
i've let what You told me  
would consume my soul - shine  
You showed me Your glory  
it overwhelmed me  
You've taught me to lose myself  
that's where start to

Shine  
the unveiled faces  
reflecting the knowledge  
of Christ

Awakened by sunlight  
i'm outside of the cave  
creation s dancing before me  
bearing Your name as it

Shine  
the unveiled faces  
reflecting the knowledge  
of Christ  
shine  
increasing glory  
transforming a simple mold to shine

And the darkness  
it kills us  
but it calls us  
friends drawing us back home

Shine  
the unveiled faces  
reflecting the knowledge  
of Christ  
shine  
increasing glory- ahh  
You're crashing the shadows with light  
You're crashing the shadows with light
