You come out in night  
That's when the energy comes  
And the dark side's light  
And the vampires roam  
Struts your rasta wear  
And your suicide poem  
And a cross from a faith  
That died before Jesus came  
You're building a mystery

You live in a church  
Where you sleep with voodoo dolls  
And you won't give up the search  
For the ghosts in the halls  
Wear sandals in snow and  
A smile that won't wash away  
Can you look at the window  
Without your shadow getting in the way

(Ooh)  
You're so beautiful  
With an edge and a charm  
You're so careful  
When I'm in your arms

'Cause you're working  
Building a mystery  
Holding on, holding it in  
Oh yeah, you're working  
Building a mystery  
And choosing so carefully

You woke up screaming aloud  
A prayer from your secret God  
To feed off our fears  
And hold back your tears  
Oh you give us a tantrum  
And a know-it-all grin  
Just when we need one  
When the evening's thin

Oh you're so beautiful

A beautiful fucked up man  
You're setting up your  
Razor wire shrine

'Cause you're working  
Building a mystery  
Holding on, holding it in  
Oh yeah you're working  
Building a mystery  
And choosing so carefully

Ooh you're working  
You're building a mystery  
Holding on and holding it in  
Yeah you're working  
Building a mystery  
And choosing so carefully

Yeah you're working  
Building a mystery  
Holding on and holding it in  
Yeah you're working  
Building a mystery  
And choosing so carefully  
You're building a mystery
