When we wore a heart of stone we wandered to the sea
Hoping to find some comfort there, yearning to feel
free

And we were mesmerized by the lull of the night and
the smells that filled the air
And we layed us down on sandy ground, it was cold but
we didn't care

'Cause we were drawn to the rythum...
Drawn into the rythum of the sea
'Cause we were drawn to the rythum...
Drawn into the rythum of the sea

We fell asleep and began to dream, when something
broke the night
Memories stirred inside of us, the struggle and the
fight
And we could feel the heat of a thousand voices telling
us which way to go
And we cried out is there no escape from the words
that plague me so...

'Cause we were drawn to the rythum...
Drawn into the rythum of the sea
'Cause we were drawn to the rythum...
Drawn into the rythum of the sea

In the still and the silent dawn another day is born
Washed up by the tireless waves, the body bent and
torn
In the face of the blinding sun I wake only to find
That heaven is a stranger place than the one I've left
behind

'Cause we were drawn to the rythum...
Drawn into the rythum of the sea
'Cause we were drawn to the rythum...
Drawn into the rythum of the sea
'Cause we were drawn to the rythum...
Drawn into the rythum of the sea
'Cause we were drawn to the rythum...

Drawn into the rythum of the sea
