Hey, your glass is empty  
It's a hell of a long way home  
Why don't you let me take you?  
It's no good to go alone

I never would have opened up  
But you seemed so real to me  
And after all the bullshit I've heard  
Refreshing not to see  
That I don't have to pretend  
She doesn't expect it from me

So, don't tell me I  
Haven't been good to you  
Don't tell me I  
Have never been there for you  
Just tell me why  
Nothing is good enough

Hey little girl, would you like some candy?  
Your Momma said it's okay  
The door is open, come on outside  
No, I can't come out today

It's not the wind that cracked your shoulder  
And threw you to the ground  
Who's there that makes you so afraid?  
You're shaken to the bone  
And no, I don't understand  
You deserve so much more than this

So, don't tell me why  
He's never been good to you  
Don't tell me why  
He's never been there for you  
Don't you know that why  
It's simply not good enough

Oh, so just let me try  
I will be good to you  
Just let me try  
And I will be there for you

I'll show you why  
You're so much more than  
Good enough

So, don't tell me why  
He's never been good to you  
Don't tell me why  
He's never been there for you  
Don't you know that why  
It's simply not good enough

Oh, so just let me try  
I will be good to you  
Just let me try  
And I will be there for you  
I'll show you why  
You're so much more than  
Good enough  
Aah

{Thank you very much}  
{Alright}
