What ravages of spirit conjured this temptuous rage?
Created you a monster; broken by the rule of love.
And fate has led you through it,
You do what you have to do.
Oh, and fate has led you through it,
You do what you have to do.
But I have the sense to recognize that I don't know how
to let you go.

Every moment marked with apparitions of your soul.
I'm ever swiftly moving; trying to escape this desire.
The yearning to be near you,
I do what I have to do.
Oh, the yearning to be near you,
I do what I have to do.
And I have the sense to recognize that I don't know
how to let you go.
I don't know how to let you go.

A glowing ember, burning hot, and burning slow.
Deep within I'm shaken by the violence of existing for
only you.
I know I can't be with you,
I do what I have to do.
I know I can't be with you,
I do what I have to do.
And I have the sense to recognize that I don't know how
to let you go.
I don't know how to let you go.
I don't know how to let you go.
