I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories

Remember the good times that we had?
I let them slip away from us when things got bad
How clearly I first saw you smilin' in the sun
Wanna feel your warmth upon me, I wanna be the one

I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories

I'm so tired but I can't sleep
Standin' on the edge of something much too deep
It's funny how we feel so much but we cannot say a
word
We are screaming inside, but we can't be heard

But I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories

I'm so afraid to love you, but more afraid to lose
Clinging to a past that doesn't let me choose
Once there was a darkness, deep and endless night
You gave me everything you had, oh you gave me light

And I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories

And I will remember you
Will you remember me?
Don't let your life pass you by

Weep not for the memories
Weep not for the memories
