Spend all your time waiting for that second chance  
For the break that will make it ok  
There's always some reason to feel not good enough  
And it's hard at the end of the day  
I need some distraction oh beautiful release  
Memories seep from my veins  
They may be empty and weightless and maybe  
I'll find some peace tonight

In the arms of an Angel fly away from here  
From this dark, cold hotel room, and the endlessness  
that you fear  
You are pulled from the wreckage of your silent reverie  
You're in the arms of an Angel; may you find some  
comfort here

So tired of the straight line, and everywhere you turn  
There's vultures and thieves at your back  
The storm keeps on twisting, you keep on building the  
lies  
That you make up for all that you lack  
It don't make no difference, escaping one last time  
It's easier to believe  
In this sweet madness, oh this glorious sadness  
That brings me to my knees

In the arms of an Angel far away from here  
From this dark, cold hotel room, and the endlessness  
that you fear  
You are pulled from the wreckage of your silent reverie  
In the arms of an Angel; may you find some comfort  
here

You're in the arms of an Angel; may you find some  
comfort here
