Listen as the wind blows from across the great divide  
Voices trapped in yearning memories trapped in time  
The night is my companion and solitude my guide  
Would I spend forever here and not be satisfied

And I would be the one to hold you down  
Kiss you so hard I'll take your breath away  
And after I'd wipe away the tears  
Just close your eyes dear

Through this world I've stumbled so many times  
betrayed  
Trying to find an honest word to find the truth enslaved  
Oh you speak to me in riddles and you speak to me in  
rhymes  
My body aches to breathe your breath, your words keep  
me alive

And I would be the one to hold you down  
Kiss you so hard, I'll take your breath away  
And after I'd wipe away the tears  
Just close your eyes dear

Into this night I wander, it's morning that I dread  
Another day of knowing of the path I fear to tread  
Oh into the sea of waking dreams, I follow without pride  
Nothing stands between us here and I won't be denied

And I would be the one to hold you down  
Kiss you so hard, I'll take your breath away  
And after I'd wipe away the tears  
Just close your eyes dear [unverified]
