Think of your fellow man  
lend him a helping hand  
put a little love in your heart

You see, it's getting late  
oh please don't hesitate  
put a little love in your heart

And the world will be a better place  
and the world will be a better place  
for you and me, you just wait and see

Another day goes by  
still the children cry  
put a little love in your heart

If you want the world to know  
we won't let hate grow  
put a little love in your heart

And the world will be a better place...

Take a good look around  
and if you're looking down  
put a little love in your heart

I hope when you decide  
kindness will be your guide  
put a little love in your heart

And the world will be a better place...

Put a little love in your heart each and every day...
