In the desert of my dreams I saw you there
Walking towards the water steaming, body cold and
bare
But your words cut loose, the fire and you left my soul
to bleed
And the pain that's in your truth's deceiving me has got
me scared

Oh why, oh why?
Oh why, oh why?

Through your eyes the strains of battle like a brooding
storm
Your up and down these pristine velvet walls like focus
never forms
My walls are getting wider and my eyes are drawn
astray
I see you now, a vague deception of a dying day

Oh why, oh why?

I fall into the water and once more I turn to you
And the crowds were standing staring faceless cutting
off my view to you
They start to limply flail their bodies in a twisted mime
And I'm lost inside this tangled web in which I'm lain
entwined
You're gone and I'm lost inside this tangled web in
which I'm lain entwined

Oh why, oh why?
