Color in sky prussian blue
Scarlet fleece changes hue
Crimson ball sinks from view

Wear your love like heaven
Wear your love like heaven
Wear your love like heaven

Lord, kiss me once more
Fill me with song
Allah, kiss me once more
That I may, that I may

Wear my love like heaven
Wear my love like heaven

Color sky Havana lake
Color sky rose carmethene
Alizarian crimson

Wear your love like heaven
Wear your love like heaven
Wear your love like heaven

Lord, kiss me once more
Fill me with song
Allah, kiss me once more
That I may, that I may

Wear my love like heaven
Wear my love like heaven

Wear your love like heaven
Wear your love like heaven
Wear your love like heaven

Lord, kiss me once more
Fill me with song
Allah, kiss me once more
That I may, that I may

Wear my love like heaven

Wear my love like heaven

Cannot believe what I see
All I have wished for will be
All of our race proud and free

Wear your love like heaven
Wear your love like heaven
Wear your love like heaven

Lord, kiss me once more
Fill me with song
Allah, kiss me once more
That I may, that I may

Wear my love like heaven
Wear my love like heaven
