Spend all your time waiting  
For that second chance  
For the break that will make it okay  
There's always some reason  
To feel not good enough  
And it's hard at the end of the day  
I need some distraction  
Or a beautiful release  
Memories seep from my veins  
Let me be empty  
And weightless and maybe  
I'll find some peace tonight

In the arms of the angel  
Fly away from here  
From this dark, cold hotel room,  
And the endlessness that you feel  
You are pulled from the wreckage  
Of your silent reverie  
You're in the arms of the angel;  
May you find some comfort here

So tired of the straight line,  
And everywhere you turn  
There's vultures and thieves at your back  
The storm keeps on twisting,  
You keep on building the lies  
That make up for all that you lack  
It doesn't make no difference,  
Escaping one last time  
It's easier to believe  
In this sweet madness,  
Oh, this glorious sadness  
That brings me to my knees

In the arms of the angel  
Fly away from here  
From this dark, cold hotel room,  
And the endlessness that you feel  
You are pulled from the wreckage  
Of your silent reverie  
You're in the arms of the angel;

May you find some comfort here

You're in the arms of the angel;  
May you find  
Some comfort here
