Spend all your time waiting  
For that second chance  
For a break that would make it okay

There's always some reason  
To feel not good enough  
And it's hard at the end of the day

I need some distraction  
A beautiful release  
Memories seep from my veins

It may be empty  
Oh, and weightless and maybe  
I'll find some peace tonight

In the arms of the angel  
Fly away from here  
From this dark, cold hotel room  
And the endlessness that you feel  
You are pulled from the wreckage  
Of your silent reverie  
You're in the arms of the angel  
May you find some comfort here

So tired of this straight line  
And everywhere you turn  
There's vultures and thieves at your back

The storm keeps on twisting  
Keep on building the lies  
That you make up for all that you lack

It don't make no difference  
Escape them one last time  
It's easier to believe

In this sweet madness  
Oh, this glorious sadness  
That brings me to my knees

In the arms of the angel

Fly away from here  
From this dark, cold hotel room  
And the endlessness that you feel  
You are pulled from the wreckage  
Of your silent reverie  
You're in the arms of the angel  
May you find some comfort here

You're in the arms of the angel  
May you find some comfort here
