I'm blind-folded on this roller coaster they call life.
Keep trying to make it through the next turn, knuckles
white and holdin' tight.
So here I go, takin' a curve,
But I know that I'm never alone.
I think of you, I know you'd never let me go.

I feel connected, protected, it's like you're sitting right
with me all the time.
You hear me, you're near me,
And everything else's gonna be alright.
'Cause nothin' can break this, nothin' can break this,
nothin' can break this time.
Connected... connected inside.

It's not an accident, the time we spent apart.
But now we're so close, I can always find you right here
in my heart.
You've given me somethin' I need, and I don't ever
want it to end.
Because of you, I know I've found my strength again.

I feel connected, protected, it's like you're sitting right
with me all the time.
You hear me, you're near me,
And everything else's gonna be alright.
'Cause nothin' can break this, nothin' can break this,
nothin' can break this time.
Connected... connected inside.

Everytime that I breathe, I can feel the energy.
Preachin' out, flowin' through, you to me and me to
you. Find your dream,
Walk or stand, you are everywhere I am.
Seperate souls, you to find, touching at the speed of
light.

Whoa, ah-oh, ah-oh, ah-oh, ah-oh, ah-oh, ah-oh, ah-oh

I feel connected, protected, it's like you're sitting right
with me all the time.
You hear me, you're near me,

And everything else's gonna be alright.
Connected, protected, now you're in my mind, now I'm
doin' fine.
You hear me, you're near me, and everything else's
gonna be alright.
'Cause nothin' can break this, nothin' can break this,
nothin' can break this time.
Connected... connected inside.
