Evening love  
How's your day?  
I'm bringing you the weather from the satellite jigsaw  
Today was fine  
Tears at times  
A weak ridge from pressure from the hinter to the  
Heartland  
Who knows what it'll be  
A briny breeze  
Collars on the upturn, a nod towards the winter  
And monday  
Is a monday  
Tuesday's a thunder day with a wind that chills you to  
The bone  
Wednesday  
Don't mention Wednesday  
Not a good one at all!  
Otherwise fine  
Otherwise it's dandy  
Otherwise fine  
Otherwise it's over the top  
You got really rotten weather it's so hard  
I know  
Tell me where a weatherman should start  
When he's miles from his sunshine  
Promise you the warmest winter fire  
When outside it's freezing cold  
Promise you the bluest summer sky  
It'll shine just for you  
And it'll be the outlook for Thursday  
You're guess is good as mine  
We'll be together  
Yeah, together by design  
Sunshine  
Sunshine  
Sunshine  
Otherwise fine  
Otherwise it's dandy  
Otherwise fine  
Otherwise it's over the top  
Sunshine  
Sunshine

Sunshine  
Sunshine
