I'm at the limit of the world now
So don't push me now
So don't turn me into what I don't wanna be
I need a little bit of space now
So don't engage me now
I need a break from this old routine

No don't take that the wrong way
I still dream our dream

But today I'm an old woman
Swimming against the stream
I better leave

(Daryl Hall) Sarah smile

(Sarah) You really let me down
I'm leaving now

(Daryl Hall) Won't you smile a while for me Sarah

No together ain't working out now
So don't hold me now
Don't tell me you don't understand the way I fell
My soul can't suffer hurt now
So don't put me down
Maybe I should just fly away

No don't take that the wrong way
I still love you
Love you the same babe
But I can't play this game no more
I guess I better leave

(Daryl Hall) Sarah smile

(Sarah) You really let me down
I'm leaving now

(Daryl Hall) Won't you smile a while for me Sarah

(Sarah) ooh ooh ooh ooh

There's a little child inside
I need to find
She's in the dark cold and alone
All she wants is to find
Her way back home

(Daryl Hall) Sarah smile

(Sarah) You really let me down
I'm leaving now

(Daryl Hall) Won't you smile a while for me Sarah

(Sarah) ooh ooh ooh ooh
