~\*(verse 1)

Ohh?ooo?ahh?

I planned it out to stay away?

Thought maybe if I gave u space?

That you would miss me more and more each day?

Got a surprise here I stand dumb and denying?

Every single word that u just said?

(chorus)

No you didn?t say?

Back up?(back up off me?)

Letting go of you aint that easy?

No you didn?t say?

Let go?of all my emotions?

And all the hope I had for you and me?(me)

(verse 2)

Its Crazy Cause?

You?ll never know?

My Body just lost all control?

My knees are weak and shaking helplessly?

And I try and laugh?and play it off?

But the tears?they rush down my Face?

For some reason I couldn?t hear a thing?

(chorus)

No you didn?t say?

Back up?(back up off me?)

Letting go of you aint that easy?(baby)

No you didn?t say?

Let go?of all my emotions?(baby)

And all the hope I had for you and me?(me)

(verse 3)

Why oh why?

Did I come to you today?

I knew your love had faded?

You gave me all the signs?

Why oh why?

Did I pull my heart to you?

I guess I needed Closer?

That way?

(chorus)

No you didn't say?(nooo)

Back up?(back up off me?)(off you)

Letting go of you aint that easy(baby)

No you didn't say?

Let go?of all my emotions?(baby)

And all the hope I had for you and me?(me)

(Verse 4)

Its crazy babe emotional? over you?

I wanna wake up and call you?

But I know its wrong?

Cause you?

You don't love me no more?

And I still cant believe?

(ooo?)

(chorus)

No you didn't say?

Back up?(back up off me?)

Letting go of you aint that easy?(baby)

No you didn't say?

Let go?of all my emotions?

And all the hope I had for you and me?(me)\*~
