Lately I find myself
Driving past your house
Past the bar we used to go
Anywhere that you might be

Oh, that's where my body leads me
Ooh, it's the only place I know
Gonna follow where it leads me
Even if I don't want to go

(CHORUS)
Here I am, back to the bullet
Shoot me down again, want you to
Here I am, back to the bullet
This time I won't run from you

Heard it all before
And I know I'll hear it again
He's no good, better stay away

But every night
When I picture us alone
The words just fade away
Holding on to yesterday

(CHORUS)

Run from you, run
Come on, baby

This is where I belong
You're running from
The truth too long

This is where I belong
You're running from
The truth too long

Here I am, back to the bullet
This time I won't
This time I won't
This time I won't run from you

(Back to the bullet) run from you
No, no, no...

(Back to the bullet) oh, oh...
(Back to the bullet) run from you
I won't from you
(Back to the bullet)...
