Hatred of

The holy,

Vengeance to the wicked,

My eternal potion,

Disown that deity

Damned below judas,

Pure abhorration,

Sell you holy master,

Rot in holy servitude...

I received my sentence,

I disavow my master

I find no shelter

Vanquished...

Damned below judas,

Pure abhorration

"him the vindictive rod of

Angry justice, sent quick

And howling to the centre

Headlong, I fed with

Judgement, am buried

Above ground..."
