"At The Junction"

It's just a small cafe, I'm here most everyday
At the junction of heartbreak road
I guess it's very clear, it's you that put me here
At the junction of heartbreak road

At the junction where losers and weepers meet
And if you'd never been there before
They say if you stay at that junction long enough
Honey, everybody walks into that door

I'll have a drink or two, then I'll have one for you
And another for anyone I know
There are roads out of here for all those who leave to
tears
I'm at the junction with no place to go

I'm at the junction with no place to go
I'm at the junction with no place to go
