First time I soared my heart felt a little bit funny
I knew right away I just had to have honey
Lips like cherry wine feel good touch of mine she
makes everyday sunny
I'm such a fool about don't want to live without honey
When I'm a rounder my heart keeps to beaten like
thunder
And then when we kiss I keep a thinking no wonder
Heaven couldn't be sweeter than when she starts me
feeling so funny
I'm such a fool about don't want to live without honey
[guitar]
I'd buy the diamonds if I had the barrel of money
I want her to know nothing's too good for honey
Lips like cherry wine feel good touch of mine she
makes everyday sunny
I'm such a fool about don't want to live without honey
I'm such a fool about don't want to live without honey
I'm such a fool about don't want to live without honey
