Put your sweet lips a little closer to the phone
Let's pretend that we're together all alone
I'll tell the man to turn the jukebox way down low
And you can tell your friend there with you he'll have to
go
Whisper to me darling do you love me true or is he
holding you the way I do
Though love is blind make up your mind I've got to
know
Should I hang up or will you tell him he'll have to go
You can say the words I wanna hear while you're with
another man
So darling answer yes or no and I will understand
So put your sweet lips a little closer to the phone
Let's pretend that we're together all alone
I'll tell the man to turn the jukebox way down low
And you can tell your friend there with you he'll have to
go
And you can tell your friend there with you he'll have to
go
